Section VI. Complementary information

VI.3) Additional information

Tenderers are required to comply with the following:

SPD Part 4C - Supply Chain Management

If bidders intend to use a supply chain to deliver the requirements detailed in the Contract Notice, they should confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain. This will include confirmation that they have the systems in place to pay subcontractors through the supply chain promptly and effectively, and provide evidence when requested of:

- a) their standard payment terms
- b) 95% of all supply chain invoices being paid on time (in accordance with the terms of contract) in the last financial year.

If the bidder is unable to confirm (b) they must provide an improvement plan, signed by their Director, which improves the payment performance.

SPD Part 3D Labour Law

The bidder must detail in response to this question, any breaches of Labour Law inclusive of any Health and Safety Breaches and complete where applicable all related conditional questions.

SPD Part 4D - Quality Management Procedures

1. The bidder must hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent),

OR

The bidder must comply with the alternative requirements as detailed within the "Selection

Criteria Additional Information" document located in the Attachments area of the PCS-T project associated with this contract opportunity.

SPD Part 4D - Health and Safety Procedures

The bidder must hold a UKAS (or equivalent), accredited independent third party certificate of compliance in accordance with BS OHSAS 18001 (or equivalent) or have, within the last 12 months, successfully met the assessment requirements of a construction-related scheme in registered membership of the Safety Schemes in Procurement (SSIP) forum.

OR

The bidder must comply with the alternative requirements as detailed within the "Selection Criteria Additional Information" document located in the Attachments area" of the PCS-T project associated with this contract opportunity.

SPD Part 4D - Environmental Management Requirements

The bidder must hold a UKAS (or equivalent) accredited independent third party certificate of compliance with BS EN ISO 14001 (or equivalent) or a valid EMAS (or equivalent) certificate,

OR

The bidder must comply with the alternative requirements as detailed within the "Selection Criteria Additional Information" document located in the Attachments area of the PCS-T project associated with this contract opportunity.

It is also a requirement of this tender to comply with Inverclyde Councils General Conditions of Contract, Special Conditions and Service Specification as detailed within the associated PCS-T project.
