Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

4B1.1 - Tenderers will be required to have a minimum “general” yearly turnover of GBP GBP 468,000.00 for the last 2 years.

4B.4 - The Current Ratio will be applied. Tenderers are to provide their current assets and current liabilities in relation to their audited published accounts for the last two years and to divide the current assets by the current liabilities figure. If a company does not have 2 years of audited published accounts an explanation should be given.

Tenderers are required to provide their annual turnover for their last two financial set of accounts.

4B.5.1B & 4B.5.2 The successful Tenderer will be required to provide evidence of appropriate insurance policies prior to commencement of the Framework. The values of the policies must be as follows:

Employer’s Liability - GBP 10 million

Public Liability (including Product Liability where appropriate) – GBP 5 million

Professional Negligence - GBP 250,000.00 The Contractor will be required to have the specified sum of Professional Negligence insurance in place for a period of up to 2 years after the end of the Framework period (including any extension(s)).

Minimum level(s) of standards possibly required

4B1.1 - Tenderers will be required to have a minimum “general” yearly turnover of GBP GBP 468,000.00 for the last 2 years.

Tenderers shall be advised that where they do not currently meet the above requirements they shall require to confirm why and the Council may undertake additional financial checks using a tool such as Creditsafe and a qualitative judgement shall be made as to the financial capacity of the tenderer. Fife Council may require a parent company guarantee, a performance guarantee bond, a bank guarantee, and/or an advance payment bond.

4B.4 - Tenderers are expected to achieve a ratio of 1 or more. Where a Tenderer does not meet this requirement further details should be provided to confirm why and the

Council may undertake additional financial checks using a tool such as Creditsafe and a qualitative judgement shall be made as to the financial capacity of the tenderer. Fife Council may require a parent company guarantee, a performance guarantee bond, a bank guarantee, and/or an advance payment bond.

4B.5.1b - The bidder must confirm that they already have or can commit to obtaining, prior to the commencement of the contract, valid insurance which must be in place for 5 years after the elapsed date of the contract GBP 10,000,000 of Employer's (Compulsory) Liability Insurance, the Council may exclude the Bidder from the competition.

4B.5.2 - Where a Bidder does not confirm that they already have or can commit to obtaining, prior to the commencement of the contract

Employer's Liability - 10 million GBP

Public Liability – 5 million GBP

Professional Negligence - 250,000 GBP

III.1.3) Technical and professional ability

List and brief description of selection criteria

Tenderers must have a minimum of 5 years in delivering the same service and have to provide relevant examples of service carried out in the past 3 or 5 years.

The successful Contractor must be able to ensure that any electrical repair, installation or replacements is carried out as per:

The electricity at work regulations 1998 supported by IEE wiring guidance BS7671 2008 and all amendments to date.

The British Standards institution BS7375 1991 "The use of electricity on Construction and Building Sites" and all amendments to date.

The Health and Safety Electricity at work Regulations 1989 and all amendments to date.

The contractor must ensure that all staff are fully equipped and trained in accordance with the Health and Safety at Work Act 1974 and appropriate Regulations, Codes of Practice etc. At no time must the contractor or his staff put other occupants of the building or employees at risk through non-compliance with the Health and Safety at Work Act 1974 or any other regulations.

The contractor must ensure that safe systems of work are followed and must provide

suitable permits to work, method statements and risk assessments in particular for works in confined spaces in compliance with the Confined Spaces Regulations 1997 and Confined Spaces: A brief guide to working safely.

The Contractor should also pay particular attention to the following publications IND 258(Rev 1) IND 84: Letospirosis, IND 197: Working with Sewage – the health Hazard: A guide for Employees, IND 198: Working with Sewage – the health Hazard: A guide for Employers

The Contractor must also ensure that all operatives (this includes any subsequent new starts you or your subcontractors may employ) attending any site in relation to the works shall have obtained “Asbestos Awareness Training” as described in the HSE’s L143 Approved Code of Practice associated with Regulation 10 of the Control of Asbestos Regulations 2012”.

The Contractor shall comply with Fife Council’s “General Health and Safety Rules for Contractors” as detailed within Appendix 1 of the Fife Council Occupational Health and Safety Procedure OHS – C – 41.

Kirkcaldy

KY1 1XQ

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for review procedures:

Economic operators should approach the contracting authority in the first instance. However, the only formal remedy is to apply to the courts:

An economic operator that suffers, or is at risk of suffering, loss or damage attributable to a breach of duty under the Public Contracts (Scotland) Regulations 2015 or the Procurement Reform (Scotland) Act 2014, may bring proceedings in the Sheriff Court or the Court of Session
