### II.2.4) Description of the procurement

The Service to be procured from the proposed contract is classified under Schedule 3 of the Public Contracts Regulations 2015 as “Provision of services to the community”. Therefore, the Service advertised in this contract notice fall among those listed in Annex XIV to Directive 2014/24/EU and the full obligations set out in that directive do not apply. For the avoidance of doubt, the contract is to be procured in accordance with the Public Contracts Regulations 2015 Regulations 74 to 78, more commonly known as the Light Touch Regime. The precise procurement process to be used is as described in the procurement documents.

The procurement is being run as a one stage process, resembling the open procedure and its main features - which includes the core elements of the standard Selection Questionnaire (SQ). Any organisation that considers itself able to meet the requirements of the selection criteria within the Qualification Envelope is invited to submit a tender.

The requirements of the Service are set out in the procurement documents, particularly the Service Specification - available from: <https://www.capitalesourcing.com>

The City of London wishes to commission an organisation with relevant experience to provide a hospital-based inpatient detoxification and stabilisation (IPD) service for drugs and alcohol as part of a pan-London response to increasing inpatient detoxification capacity for substance misusers with co-morbid physical and mental health needs. The service will make a critical contribution to the wider strategic intention to reduce drug and alcohol related offending and reduce harm linked to substance misuse.

The vision is to commission a high-quality, outcomes-focused service which offers safe, psychologically informed and person-centred, interventions which are evidence-based and represent good value for money. The service will seek to maximise positive treatment outcomes, as well as improve the health, wellbeing and life chances of alcohol and drug dependent service users who require inpatient detoxification.

The aims of the service are to:

- To deliver an integrated IPD care pathway underpinned by a shared understanding of the recovery principles applicable to all commissioned drug and alcohol

treatment services across London boroughs

- To provide a multi-disciplinary partnership between pan-London local authorities, community substance misuse teams, housing and social care, and tertiary

care in order to provide a holistic inpatient detoxification service

- To collaborate with the provision of local authority services aligning with presenting needs aiming to maximise positive treatment outcomes
- To prioritise those who have additional physical and mental health needs
- To place service users at the centre of delivering holistic care, promoting health, well-being and life chances
- To raise the aspirations of service users and lower barriers to care to strengthen engagement with treatment by building trust and understanding in the service

provided
