II.1.4) Short description

Choice Housing Ireland has a large number of housing schemes with landlord or communal natural gas supplies where we are the bill payer. In most cases the cost of landlord natural gas is recharged on to our tenants and so we recognise the importance of procuring this in an effective manner to not only ensure transparency, but to crucially deliver financial savings for our tenants. This is particularly important given the high levels of fuel poverty in Northern Ireland with the cost of energy being a major contributing factor. Full detail provided in the Procurement Documents.

II.1.5) Estimated total value

Value excluding VAT: £150,000,000

II.1.6) Information about lots

This contract is divided into lots: No
