Description

To make journeys smoother for motorists, we have identified the following 3 existing roundabout junctions which require upgrades to the west and north of Derby city centre:

A38/A5111 Kingsway roundabout

A38/A52 Markeaton roundabout

A38/A61 Little Eaton roundabout

After delivering improvement schemes at Little Eaton and Markeaton roundabouts in 2014/2015 to reduce congestion in the short term, we have been developing longer term plans to resolve the traffic problems more permanently.

National Highways are looking to procure a design and build partner to deliver the A38

Derby Junctions road scheme.

Contract dates (estimated)

- 25 January 2028 to 25 January 2038
- 10 years, 1 day
