Future Arrangements

Team Leidos are currently scoping a potential requirement for equipment for the decontamination of medical devices. We are currently reviewing what the market has to offer for Washer/Disinfectors and Sterilisers considering any potential options at this time. We are also reviewing equipment to facilitate the RO (reverse osmosis) needed in support of this equipment.

Process

Team Leidos wishes to stimulate interest, information and views across the market for the supply of this requirement via this Request for Information (RFI) together with other companies whom Leidos believes may be able to provide useful intelligence on our requirement.

Team Leidos is seeking supplier's feedback on capabilities and would be grateful if you could answer the following questions.

We would appreciate it if you could respond to rachel.umar102@teamleidos.mod.uk by

the 13th April at the latest. Any issues with this please just drop an email, Rachel is OOO until the 11th April and will respond to all emails on her return.

Once the responses have been reviewed Team Leidos will look to set up Teams calls to ensure we have a robust understanding of the market before proceeding to determine our procurement strategy.
