It is the sole responsibility of suppliers to contact the TfL Supplier Enablement Team, to check that they are registered on the TfL SAP Supplier Business Network e-procurement system. If your organisation is not already registered in SAP Business Network, please ensure that you complete the TFL supplier set up process through the SAP Business Network link provided here: <https://tfl.gov.uk/info-for/suppliers-and-contractors/become-a-tfl-supplier?intcmp=3390> If you have any problems or are unsure regarding your TFL Supplier account please arrange a call with the TFL buying support Team; [BuyingSupport@tfl.gov.uk](mailto:BuyingSupport@tfl.gov.uk)

Once you have registered, email [ColinSeymour@tfl.gov.uk](mailto:ColinSeymour@tfl.gov.uk) for access to the tender in the portal. All tender documents have been provided as an attachment to this notice so any system issues should not disadvantage a potential bidder.

## 2. Find a Tender Service (FTS)/Central Digital Platform (CDP)

Additionally, your organisation must have a Public Procurement Organisation Number (PPON). A PPON is a Unique Identifier (UI) assigned to organisations that participate in public procurement, generated when an organisation registers on the Find a Tender Service (FTS). Find a Tender is now the Central Digital Platform. Registration is mandatory to participate in public sector procurements under the Procurement Act 2023. If your organisation is not already registered in Find a Tender, please ensure that you register as soon as possible and obtain your organisation's Unique Identifier via: <https://www.find-tender.service.gov.uk/Search>
