I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

960000

Reference number

itt_813 Power Sector Model

II.1.2) Main CPV code

- 71314000 - Energy and related services

II.1.3) Type of contract

Services

II.1.4) Short description

The Department for Energy Security & Net Zero is looking to procure a licence to use a power sector model (including access to standardised data sets). This model would be a replacement for the Dynamic Dispatch Model that the Department currently uses for both strategic analysis, that is, quantifying the collective impacts of all existing and planned policies, and analysis on specific policies or changes in the power sector.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Department for Energy Security & Net Zero is looking to procure a licence to use a power sector model (including access to standardised data sets). This model would be a replacement for the Dynamic Dispatch Model that the Department currently uses for both strategic analysis, that is, quantifying the collective impacts of all existing and planned

policies, and analysis on specific policies or changes in the power sector.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information
