II.2.4) Description of the procurement

The University Hospitals Birmingham NHS Foundation Trust ("the Authority") is seeking to engage with suppliers interested in its upcoming requirement for a software solution to support the Trust with the management of strategic projects.

University Hospitals Birmingham NHS Foundation Trust ("UHB") is one of the UK's largest NHS Trusts that runs the Queen Elizabeth Hospital Birmingham, Birmingham Chest Clinic, Heartlands Hospital, Good Hope Hospital, Solihull Hospital and various community services across the region, and is one of the highest performing Health organisations in Europe with a proven international reputation for its quality of care, information technology, clinical education and training and research.

Suppliers who are able to offer a solution relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained below.

This exercise is intended to provide potential bidders with the opportunity to review the Authority's draft specification and to provide information regarding the services they can offer that could meet these outline requirements. This builds on the Authority's commitment to engage with the market, by sharing information and seeking input from the market to enable us to develop the final specification and determine the appropriate route to market in a fair and transparent manner.

Suppliers wishing to participate in this market engagement exercise and express an interest in this requirement should respond to the questionnaire via the online response form on the Health Family Single eCommercial System Portal (Atamis) by 13:00 on Friday 28th April 2023.
