Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Ministry or any other national or federal authority

I.5) Main activity

Other activity

Public Procurement

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Pre-Market Engagement for RM1043.8 Digital Outcomes 6 (DOS6) & RM6263 Digital Specialists & Programmes (DSP) Replacement/s

Reference number

RM6365

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

Crown Commercial Service, as the Authority, intends to put in place 1 or more replacement agreements for RM1043.8 Digital Outcomes 6 (DOS6) & RM6263 Digital Specialists & Programmes (DSP). Please note, this may result in both frameworks being consolidated into one or staying separate. The current agreements provide access to agile application development services, digital specialists, user research studios and user research participants for use by Central Government and UK Public Sector bodies. The scope of services under the new agreement/s will be confirmed following market engagement activities.

The lotting and structure of the framework/s will be determined as a result of the market engagement.

Further information is included in the Additional Information section VI.3.

II.1.5) Estimated total value

Value excluding VAT: £8,000,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

- 72240000 - Systems analysis and programming services
- 72241000 - Critical design target specification services
- 72242000 - Design-modelling services
- 72243000 - Programming services
- 72244000 - Prototyping services
- 73110000 - Research services
- 73111000 - Research laboratory services
- 79300000 - Market and economic research; polling and statistics

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

RM1043.8 and RM6263 currently offer the following services:

Access to teams of DDaT specialists who can design and build bespoke digital products and services using an agile methodology.

The scope of services and capabilities include:-

- high levels of Government security clearance
- the ability to work to Government Digital Service assessments and provision of new and innovative solutions.
- Hire studio space in which to conduct user research activity.
- Find users with the required attributes and characteristics to test a digital product or service.

CCS is seeking market feedback to determine the future approach and scope of services for the above framework/s.

II.3) Estimated date of publication of contract notice

4 October 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
