The full scope of the services can be found within the Invitation to Tender pack, at <https://attain.bravosolution.co.uk/>

The Authority may wish to introduce additional and/or expand services during the lifetime of the contract (“Contract modification(s)”). Such contract modifications will be contemplated where additional requirements are similar and or complementary to the services already included in the Specification, at any given time. Such expansion would be by the addition of services commissioned by the Authority and / or other Contracting Authorities, as named in the Contract Notice. To this end, the Bidder should be aware that after the award of contract, there is a possibility that the successful Bidder may be offered a variation to the contract to extend some / or all of the service lines across the other ‘places’ within the boundary of The Authority, specifically East & North Herts place and/or South and West Herts place services in accordance with Regulation 72 (1) (a) of the Public Contracts Regulations 2015 (as amended The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020).

The value identified in this notice is the potential maximum aggregate value which includes the additional / expansion of services described above.

The aggregate value of the initial contract (including extensions) is £4,406,098. The aggregate value of the contract (excluding extensions) is £2,644,098. The maximum financial ceiling for the purposes of the procurement is £2,644,098.
