Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Collaborative Delivery Framework 2 (CDF2)

II.1.2) Main CPV code

- 45220000 - Engineering works and construction works

II.1.3) Type of contract

Works

II.1.4) Short description

The Environment Agency (EA) is seeking expressions of interest and pre-market engagement from suppliers for its Collaborative Delivery Framework (CDF) 2. CDF2 will deliver asset management activities across the whole of the EA's asset base including Flood and Coastal Risk Management, Navigation and Water Land and Biodiversity assets. The framework will provide both technical consultancy services and construction works that support the EA's asset management, maintenance, refurbishment and construction programmes of work. The Framework will be required to develop, design and deliver nature based solutions and more traditional hard engineering based solutions. The framework will be used for construction projects in the range of £1m to ~£50m (upper limit TBC).

Interested suppliers are invited to complete the short Pre-Market Engagement Questionnaire, with submissions no later than 10am on the 22nd April 2024. For access to this please contact: cdfreplacement@defra.gov.uk

II.1.5) Estimated total value

Value excluding VAT: £3,000,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71530000 - Construction consultancy services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Environment Agency (EA) is seeking expressions of interest and pre-market engagement from suppliers for its Collaborative Delivery Framework (CDF) 2. CDF2 will deliver asset management activities across the whole of the EA's asset base including Flood and Coastal Risk Management, Navigation and Water Land and Biodiversity assets. The framework will provide both technical consultancy services and construction works that support the EA's asset management, maintenance, refurbishment and construction programmes of work. The Framework will be required to develop, design and deliver nature based solutions and more traditional hard engineering based solutions. The framework will be used for construction projects in the range of £1m to ~£50m (upper limit TBC).

Interested suppliers are invited to complete the short Pre-Market Engagement Questionnaire, with submissions no later than 10am on the 22nd April 2024. For access to this please contact: cdfreplacement@defra.gov.uk

II.2.14) Additional information

Suppliers are invited to register their interest for this opportunity by emailing cdfreplacement@defra.gov.uk with their company name, and contact details for a single point of contact within their organisation. Suppliers who register their interest will be invited to complete a short pre-market engagement questionnaire, available immediately until 19th April 2024. If you are viewing this notice after this date, please still register your interest via email. All suppliers who register their interest will be contacted about any future pre-market engagement events or initiatives.

II.3) Estimated date of publication of contract notice

3 March 2025
