- 45221111 - Road bridge construction work
- 45221100 - Construction work for bridges

II.2.3) Place of performance

NUTS codes

- UKM5 - North Eastern Scotland

Main site or place of performance

Please see lot map within PCS-T.

II.2.4) Description of the procurement at the time of conclusion of the contract:

The core civil engineering works are the maintenance of the forest road network.

There may also be requirements for new road construction, road upgrades, bridge maintenance, and temporary bridge construction. The Client may utilise this contract for these requirements where it anticipates being able demonstrate value for money, or where it has urgent requirements that do not allow time for an alternative procurement procedure to be conducted – for example, as a result of a phytophthora ramorum outbreak. The Client, however, reserves the right to conduct alternative procurement procedures for these requirements where there are substantial works relating to any of these requirements and/or an opportunity to demonstrate better value for money.

II.2.7) Duration of the contract, framework agreement, dynamic purchasing system or concession

Duration in months

48

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
