NUTS codes

- UK - United Kingdom

Main site or place of performance

National Institute for Biological Standards and Controls
Blanche Lane, South Mimms,
Potters Bar, Hertfordshire, EN6 3QG

II.2.4) Description of the procurement

The Medicine and Healthcare Product Regulatory Agency (MHRA) is looking to engage a supplier to service and maintain our water treatment equipment so to ensure it remains in optimum condition. This includes RO units for the Production Division & main site, Water Softeners, and associated equipment for the Boiler House and CL3/4 labs. The specification and other relevant documents are attached herewith. The service is required at the Agency's South Mimms site in East England. This communication is to acquaint you with this opportunity and allow you to ascertain your capability to meet this requirement. In return, capable suppliers are expected to formally express interest by email to rene.kiliaan@nibsc.org confirming their willingness to participate in this opportunity. Suppliers who formally register an interest will be invited to the TENDER stage.

II.3) Estimated date of publication of contract notice

30 June 2021

Section IV. Procedure
