Reference number

NHSE1016

#### **II.1.2) Main CPV code**

- 85000000 - Health and social work services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

INTENTION TO AWARD

The aim of the NHS AAA Screening Programme is to reduce AAA-related mortality in service users who are eligible by detecting aneurysms at an early stage, ensuring appropriate surveillance and referral if required, and improving outcomes. This is through the provision of a systematic population-based screening programme for men and individuals assigned male gender at birth during the year, 1st April to 31st March, in which they turn 65 and, on request, for men over 65 years.

The Relevant Authority intends to award contracts for the above Lots to existing providers under Direct Award C under the Health Care Services (Provider Selection Regime) Regulations 2023.

The Relevant Authority are undertaking a DAP C to award Greater Manchester, East Cheshire and Glossop Abdominal Aortic Aneurysm (AAA) Services to the existing provider. The services will commence on 01 April 2025 with the contract concluding on 31 March 2028. The lifetime value of the contract is £2,376,360.

This contract is divided into lots: No

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £2,376,360

### **II.2) Description**

#### **II.2.3) Place of performance**

NUTS codes

- UKD - North West (England)

Main site or place of performance

Greater Manchester, East Cheshire and Glossop

#### **II.2.4) Description of the procurement**

The proposed contracting arrangements are not changing considerably.

The relevant authority is of the view that the existing provider is satisfying the existing

contract and will likely satisfy the proposed contract to a sufficient standard.

Provider has met all the requirements within Regulation 20 - compliance check.

No outstanding performance issues and provider has passed all applicable elements of the key criteria when assessed against service requirements.

The procurement is not to conclude a framework agreement or to award a contract based on a framework agreement.

### **II.2.5) Award criteria**

Quality criterion - Name: The existing providers are satisfying the original contracts and will likely satisfy the proposed contracts to a sufficient standard / Weighting: 100

Cost criterion - Name: The existing providers are satisfying the original contracts and will likely satisfy the proposed contracts to a sufficient standard / Weighting: 100

### **II.2.11) Information about options**

Options: No

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This is a Provider Selection Regime 2023 (PSR 2023) Process following the Direct Award Process C

Direct award process C may be used when all of the following apply:

- the relevant authority is not required to follow direct award processes A or B
- the term of an existing contract is due to expire, and the relevant authority proposes a new contract to replace the existing contract at the end of its term
- the proposed contracting arrangements are not changing considerably
- the relevant authority is of the view that the existing provider (or group of providers) is satisfying the existing contract and will likely satisfy the proposed contract to a sufficient standard.

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

## **Section VI. Complementary information**

### **VI.3) Additional information**

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award.

The publication of this notice marks the start of the Standstill Period. Representations by providers must be made to decision makers by midnight 8 days following the publication of this transparency notice/ commencement of the standstill period - midnight on Thursday 27 March 2025 . This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

The decision maker in this instance was Greater Manchester Screening Immunisation Contracting Commissioning and Finance Group for and on behalf of NHS England (Greater Manchester)

Written representation should be sent to:

[Necsu.psrprocurement@nhs.net](mailto:Necsu.psrprocurement@nhs.net)

The key criteria was considered within the award criteria which was laid out in the procurement documents. The existing providers are satisfying the existing contracts and will likely satisfy the proposed new contracts. The providers have been assessed and passed

against the relevant 5 key criteria and mandatory requirements.

There have been no conflicts of interest identified, and the COI process has complied with NHSE Policy in line with regulation 21.

The AAA service annual value after all 24-25 uplifts is £792,120.

The three year contract value would therefore be £2,376,360.
