Scope

Reference

SH2024035

Description

Southern Housing are seeking to procure up to 10 contractors to deliver Capital Investment Works across 10 operational Lots, 4 Lots for External elements (Windows, Roofs and non-fire Doors plus associated works) and 6 Lots for Internal elements (Kitchens and Bathrooms plus associated works) split on a geographical basis.

The contracts also include provision for the following works to be included where required to the properties receiving Capital Investment Works to maximise efficiency of delivery and minimise disruption to residents:

- a) Fire safety works (only within the primary area of component renewal)
- b) Retrofit works (non-SHDF/WH: SHF etc.)

and Bidders will be required to have the capability to fulfil the following roles in support of the contract delivery:

- a) Legal responsibility of Principal Designer and Principal Contractor roles under CDM
- b) Legal responsibility of Principal Designer and Principal Contractor roles under Building Safety Act requirements
- c) Quality assurance of work delivered by the contractors with provision of supporting evidence.

As a contingency only, Bidders are also requested to price for the provision of asbestos surveying and removal works. This is to be provided in strict accordance with Southern Housing procedures and only when specifically instructed by Southern Housing.

Southern Housing published a PIN and an Information Memorandum related to this procurement (Ref 2024-232366) on 22 July 2024 and have undertaken Pre Market engagement which has included:

- a) submission of questionnaire responses
- b) use of the questionnaire responses to understand the market and inform the procurement strategy
- c) completion of a market engagement event on 3 December 2024 and seeking feedback on the proposed procurement strategy
- d) forming an understanding of market capability
- e) sharing and seeking feedback on proposed lotting
- f) providing updates as to finalised lotting and the indicative procurement programme.

Our Lots are:

4 Lots - External Elements - 1 Contractor per lot

Lot 1 - LN - Ext - London North External

Lot 2 - LS - Ext - London South External

Lot 3 - SSX - Ext - Sussex External

Lot 4 - KNT - Ext - Kent External

6 Lots - Internal Elements - 1 Contractor per lot

Lot 5 - LN - Int - London North Internal

Lot 6 - LSW - Int - London South West Internal

Lot 7 - LSE - Int - London South East Internal

Lot 8 - WSX - Int - West Sussex Internal

Lot 9 - ESX - Int - East Sussex Internal

Lot 10 - KNT - Int - Kent Internal

Please note that all estimated Lot values stated exclude inflation.

Bidders are able to tender for multiple Lots, Bidders will however, only be able to secure a maximum of 2 Lots across any combination of the External or Internal categories. Each Lot will be scored and evaluated individually and contracts will be awarded on the basis of the Most Advantageous Tender (MAT).

The Contracts will be for an initial term of 10 years with an option to extend for up to a further 10 years, giving a total of 20 years.

The Client is targeting the following strategic objectives and added value benefits:

- a) Contract rationalisation, flexibility, simplicity and versatility
- b) Creation of an integrated supply chain and standardised components providing:
 - i) commercial incentives and benefits
 - ii) financial savings
 - iii) Consistent quality and customer experience
- d) Standardised approach to delivery and simple payment processes
- e) System integration of end to end activity

f) Maximisation of guarantees/warranties and component lifecycles

g) Delivery of social value outcomes

h) Ideas and innovation

The Client reserves the right, at its sole discretion, to update, modify or replace its strategic objectives or policies after the date of this Invitation to Tender by notification to the Bidders in writing.

In accordance with section 52 of the Procurement Act 2023, wherever the Client enters into a public contract with an estimated value of more than £5 million, the Client must set and publish at least three key performance indicators in respect of the Contract.

In light of the estimated value of the Contract, the Client has set the following indicative key performance indicators for the purposes of this procurement:

KPI 1 - Performance Against Programme

KPI 2 - Resident Satisfaction

KPI 3 - Achieving Budget

KPI 4 - Defects at Handover

The contract extension options will be linked to performance and a programme of market testing as set out in the Invitation to Tender. This serves as a longer-term incentive and establishes testing of ongoing value for money.

The Client will enter into Contract with the with the successful Contractor(s) which shall be based on the NHF Form of Contract 2023 (including a Schedule of Amendments).

Total value (estimated)

- £1,448,000,000 excluding VAT
- £1,737,600,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 May 2026 to 30 April 2036
- Possible extension to 30 April 2046
- 20 years

Description of possible extension:

The contract extension options will be linked to performance and a programme of market testing at defined intervals during the contract period as set out in the Invitation to Tender. This serves as a longer-term incentive and establishes testing of ongoing value for money.

Options

The right to additional purchases while the contract is valid.

Adhoc related works within the scope of the contract, arising from day to day repairs and commercial properties may be instructed.

Further related works within the scope of the contract may be instructed upon the expiry of other existing contract arrangements.

Main procurement category

Works

Lot constraints

Description of how multiple lots may be awarded:

If a Bidder bids for more than two Lots and is ranked first on more than two Lots following tender evaluation the following approach will apply:

- a. The two Lots with the highest MAT scores will be awarded to the Bidder and the Bidder will be automatically deemed to have withdrawn from all other Tender Submissions relating to any other Lots and those Lots will be re-evaluated in accordance with the assessment methodology provided in the associated tender documents.
- b. If the Bidders MAT scores are the same for more than two Lots, then the Bidders Quality evaluation score will be reviewed for each Lot and the two Lots with the highest Quality evaluation scores will be awarded to the Bidder and the Bidder will be automatically deemed to have withdrawn from all other Tender Submissions relating to any other Lots and those Lots will be re-evaluated in accordance with the assessment methodology provided in the associated tender documents.
- c. If the Bidders MAT scores and Quality evaluation scores are the same for more than two Lots then the Bidders Price evaluation score will be reviewed for each Lot and the two Lots with the highest Price evaluation scores will be awarded to the Bidder and the Bidder will be automatically deemed to have withdrawn from all other Tender Submissions relating to any other Lots and those Lots will be re-evaluated in accordance with the assessment methodology provided in the associated tender documents.
- d. If the Bidders MAT scores, Quality evaluation scores and Price evaluation scores are the same for more than two Lots then the Bidders will be awarded the two Lots with the highest contract value and the Bidder will be automatically deemed to have withdrawn from all other Tender Submissions relating to any other Lots and those Lots will be re-evaluated in accordance with the assessment methodology provided in the associated tender documents.
- e. When Lots are re-evaluated following a Bidder automatically stepping aside, the outcome will be:
 - i) A Bidder that has not previously been awarded a Lot will be awarded a Lot, or:
 - ii) A Bidder that has only won one Lot will be awarded a second Lot.

Not the same for all lots

CPV classifications and contract locations are shown in Lot sections, because they are not the same for all lots.

Lot 1. LN-Ext - London North - External

Description

London North - External - Windows, Roofs and non-fire Doors plus associated works.

Lot 10. KNT-Int - Kent and Medway Internal

Description

Kent and Medway Internal - Kitchen and Bathroom Replacement and associated works.

The contract also includes provision for the following works to be included where required to the properties receiving Capital Investment Works to maximise efficiency of delivery and minimise disruption to residents:

- a) Fire safety works (only within the primary area of component renewal)
- b) Retrofit works (non-SHDF/WH: SHF etc.)

and Participants will be required to have the capability to fulfil the following roles in support of the contract delivery:

- a) Legal responsibility of Principal Designer and Principal Contractor roles under CDM
- b) Legal responsibility of Principal Designer and Principal Contractor roles under Building Safety Act requirements
- c) Quality assurance of work delivered by the contractors with provision of supporting evidence.

As a contingency only, Bidders are also requested to price for the provision of asbestos surveying and removal works. This is to be provided in strict accordance with Southern Housing procedures and only when specifically instructed by Southern Housing.

Lot value (estimated)

- £158,000,000 excluding VAT
- £189,600,000 including VAT

- b) Material pricing volatility
- c) Change of law/legislation
- d) Change of regulation
- e) Contractor failure

Applicable trade agreements

- Government Procurement Agreement (GPA)

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

The following stages will be carried out under the Competitive Flexible Procedure:

Stage 1. Procurement Specific Questionnaire - Conditions of Participation and Initial

Screening Assessment

Stage 2. Initial Tenders - Quality and Price Tender Submission and Tender Evaluation

Stage 3. Dialogue Sessions

Stage 4. Detailed Tenders - Quality Submission and Tender Evaluation

Stage 5. Negotiation and Price Evaluation of Best and Final Offer Submissions

Southern Housing propose to rely on section 24 of the Procurement Act 2023 (refining award criteria) following the completion of Stage 3 - Dialogue Sessions, in order to reflect the outcomes of these sessions in Stage 4 Detailed Tenders and Stage 5 Negotiation and Best and Final Offer requirements.

The number of tenderers will be reduced at each stage as set out in the invitation to tender and as follows:

Stage 1. Procurement Specific Questionnaire - Conditions of Participation and Initial Screening Assessment - all Bidders that pass Stage 1 will proceed to Stage 2.

Stage 2. Initial Tenders - Quality and Price Tender Submission and Tender Evaluation - Bidders that do not meet the minimum quality scoring threshold will be rejected and not considered any further. Bidders that meet or exceed the minimum quality threshold will progress to the price evaluation. The quality and price scores will be combined to provide a ranking for each Lot and up to 5 Bidders will be shortlisted for each Lot based on those ranked 1st to 5th for each Lot and will proceed to Stage 3.

3. Dialogue Sessions - all Bidders will proceed to Stage 4.

4. Detailed Tenders - Quality Submission and Tender Evaluation - those Bidders that do not achieve the minimum quality scoring threshold will be rejected and not considered any further. Those bidders that meet or exceed the minimum quality scoring threshold will proceed to Stage 5.

5. Negotiation and Price Evaluation of Best and Final Offer Submissions - the best and final offer submissions will be evaluated and added to the quality scores to produce a final ranking for each Lot. The Bidders with the highest overall score for each Lot will be recommended as the Most Advantageous Tender.

Justification for not publishing a preliminary market engagement notice

Preliminary Market Engagement was undertaken under PCR2015 via PIN Notice Ref 2024/S 000-022588.
