Main site or place of performance

East Grinstead

II.2.4) Description of the procurement

Queen Victoria Hospital NHS Foundation Trust intends to award a contract for the provision of an Eye Care Liaison Officer Service. The Eye Unit optimises patient vision and minimises avoidable visual disability, mortality and other morbidity by providing high quality care that meets the needs of adults and children with ophthalmic problems. Situated in a dedicated clinical space the Eye Unit provides the investigation and management of rare and/or complex cornea, glaucoma and ocular conditions with a skilled and competent multi-disciplinary workforce to manage adults and children with ophthalmic disorders. The Eye Clinic Liaison Officer Service is aimed at ensuring patients identified as being likely to benefit from additional support are able to access the service without any delays. The service will provide access to information, advice and support for patients with vision impairment. The service is expected to be innovative in approach and empower patients to maximise their potential to self-manage and selfcare.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: Yes

Description of options

Option to extend by a further two years

II.2.13) Information about European Union Funds
