Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This relates to the variation of an existing contract. Proposed cost increases to the existing contract are attributable to the on-going

increasing costs associated with fuel, energy, materials and staffing costs) which have been fuelled by Brexit and economies restarting following Covid. The Russia/Ukraine war has also exacerbated fuel and energy costs at a global level.

The contract allows for a further four periods of 12 months each, acceptance of same is at the sole discretion of the Council. The council are content that it is

reasonable to assume that contractors would not have foreseen the current cost increases in delivering services under the contract at

time of tendering.

This direct award is permitted by Regulation 72(1)(c) of the Public Contracts Regulations 2015

(c) where all of the following conditions are fulfilled:—

(i) the need for modification has been brought about by circumstances which a diligent contracting authority could not have foreseen;

(ii) the modification does not alter the overall nature of the contract;

(iii) any increase in price does not exceed 50% of the value of the original contract or framework agreement.
