II.2.4) Description of the procurement

Potential providers must be able to demonstrate:

The London Borough of Newham requires an experienced and suitably qualified contractor to collect information to identify young people who are not participating in education, employment or training (NEET) or who are at risk of not participating in education, employment or training. To meet this requirement the contractor will need to report back on destinations of young people up to the age of 19.

The service must enable the London Borough of Newham to meet its statutory obligations in accordance with current legislation to:

- Encourage, enable and assist participation in education and training by young people in accordance with Section 68 of ESA 2008 and EA 2011
- Ensure all 16-18 year olds receive an offer of a suitable place

- Support schools, 14-19 alternative provisions, including the Pupil Referral Unit (PRU), with progression measure information including updating the Client Caseload Information System (CCIS).

Required Outcomes

Reduced NEET, which will increase positive progression into post-16 education, training, and employment (EET)

Improve retention rates in education, training, and employment (with training), throughout Year 12 and into Year 13

Reduction in 'unknown' cohort (do not know current destination of young person) i.e. not, in education, employment or training (NEET) or in education, employment or training (EET).

Service Requirements.

The contractor will need to ensure they have systems, policies and practices in place to secure consent to information sharing from service users and parents as they collect data; and promote client confidentiality. The core requirements are set out in the specification.

Staffing. sufficient number of suitably trained staff with appropriate skills and competencies.

The service shall link and coordinate the different duties of London Borough of Newham, Schools and Colleges and other providers, to share and provide information, in order to produce accurate and comprehensive data that supports young people's progression.

Information sharing and data management. The contractor shall update, inform and circulate information to London Borough of Newham, DFE, Schools and relevant organisations as required. Ensuring appropriate data sharing and GDPR requirement protocols are in place with young people and partners.
