## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions

The following requirements are needed for Lots 1, 2 and 3;

Home to school transport will require contracts to be fulfilled by taxi/PHV/PSV licensed drivers in appropriate vehicles.

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

Tenderers are required to have a minimum “general” annual turnover of as detailed in the grid below for the last two financial years. Where a Tenderer does not have an annual turnover of this value, the Council may exclude the Tenderer from the competition or may apply discretion seeking supporting evidence to determine the Tenderer’s suitability to proceed in the competition.

The turnover sought will be used throughout the lifetime of the framework and the Council may limit the award of contracts from this framework should a Tenderer’s turnover be below the expected level for the maximum value as detailed below.

The formula for calculating a Tenderer’s current ratio is current assets divided by current liabilities. The acceptable range for each financial ratio are detailed below. Where a Tenderer’s current ratio is less than the acceptable value, the Council may exclude the Tenderer from the competition or may apply discretion seeking supporting evidence to determine the Tenderer’s suitability to proceed in the competition.

The current sought will be used throughout the lifetime of the framework and the Council may limit the award of contracts from this framework should a Tenderer’s current ratio be below the maximum of each stage detailed below.
