Crown Commercial Service as the Contracting Authority has put in place a Framework Agreement for use by UK public sector bodies identified at VI.3 (and any future successors to these organisations), which include Central Government Departments and their Arm's Length Bodies and Agencies, Non Departmental Public Bodies, NHS bodies, Local Authorities and Universities.

The maximum initial duration of any Call-Off Contract that is placed by an eligible Contracting Authorities is 24 months with two extensions allowed, each of up to 12 months.

G-Cloud services, available via the Digital Marketplace, require frequent procurement refreshes to bring on new suppliers and services. New iterations of this Framework have been considered at a frequency of 12 months depending on demand and/or availability of new services as the IT Cloud market develops.

On 2.4.2014 Government introduced its Government Security Classifications (GSC) scheme which replaced Government Protective Marking Scheme (GPMS). A key aspect is the reduction in the number of security classifications used. All bidders were required to make themselves aware of the changes as it may impact this requirement. This link provides information on the GSC at:

<https://www.gov.uk/government/publications/government-security-classifications>

Bidders should note that, in accordance with the UK Government's policies on transparency, the Authority intends to publish the Invitation to Tender (ITT) documents and the text of any Framework Contract awarded, subject to possible redactions at the discretion of the Authority. The terms of the proposed Framework Contract will also permit a Buyer, awarding a contract under this Framework Contract, to publish the text of that contract, subject to possible redactions at the discretion of the Buyer.
