BS.0766

Description

Implementation of Ordnance Survey Impact Study Framework. Following on from 'Phase 1' activity conducted earlier in 2025, in which an Impact Study Framework was developed for Ordnance Survey (OS) and proposed an initial plan for follow-on activities. This Contract will deliver phase 2 and the implementation of the Impact Study Framework.

Phase 2 will build on the framework developed for evaluating OS's impact in phase 1. The focus of phase 2 is twofold, the refinement of the balanced scorecard and strategic goals document and the delivery of an independent impact assessment.
