Section II: Object

II.1) Scope of the procurement

II.1.1) Title

NSS Unified Communications PIN

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

NHS National Services Scotland (NSS) has a need to build on its existing Unified Communications (UC) service currently delivered through multiple disparate channels.

The intention is to supplement and enhance NSS's existing investment in UC tools to provide a joined up, cloud focused, platform that allows NSS to develop, and efficiently build, multi-channel communication services to support the Health Service in Scotland. NSS is exploring the options for the possible procurement of enhanced UC services.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72000000 - IT services: consulting, software development, Internet and support

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

Main site or place of performance

Scotland

II.2.4) Description of the procurement

NHS National Services Scotland (NSS) has a need to build on its existing Unified Communications (UC) service currently delivered through multiple disparate channels.

The intention is to supplement and enhance NSS's existing investment in UC tools to provide a joined up, cloud focused, platform that allows NSS to develop, and efficiently build, multi-channel communication services to support the Health Service in Scotland.

This a market testing exercise to allow the Authority to consider future options.

II.2.14) Additional information

A questionnaire has been attached to this notice. Interested suppliers should complete the questionnaire and respond as per instructions in the Questionnaire.

II.3) Estimated date of publication of contract notice

1 February 2022
