II.1.4) Short description

TfL intends to commence a procurement process for the creation of a Framework Agreement

which will feature Lots relevant to various cartography requirements. The intended Lot structure is listed below:

Lot 1: Bus Customer Information

Lot 2: Tube and Rail

Lot 3: Legible London, Cycle Superhighway Totem Mapping & Cycle Hire Docking Stations

The following activities are in scope:

- Creation of new maps within an existing house style;
- Creation of new maps to a new design/style;
- Updating/amending existing maps (this makes up the majority of work that we request);
- Refreshing a family of maps from time to time. There may be opportunities for the Service Provider to help review several existing styles of mapping, such as consultation maps, and refresh them;
- Ability to produce artwork/designs to complement mapping products such as adding TfL branding or a call to action;

- Adapting supplied TfL templates to include mapping products such as the Continuing Your Journey poster or Have your Say consultation leaflet/poster;
- Ability to create maps in Adobe Illustrator and insert into Adobe InDesign files;
- Ability to manage the Tube map licensing process - cartographic and administrative work; and
- Producing mapping and layout of copy/graphics for rail replacement bus service customer information - in various formats such as posters, bus vinyl etc.

This specification covers both planned and unplanned mapping products ranging from planned Tube maps to unplanned walking maps during strikes.

The following activities are out of scope:

- Printing of any artwork, mapping or designs.
- Design and art working of published items without any mapping element or where most of the work involves the design of non-mapping elements
