The Framework Agreement may also be used by both Dartmoor and Exmoor National Park Authorities to maintain some or all of the public rights of way within their park boundaries under an Agency Agreement with Devon County Council and it may be that works are ordered by either the Dartmoor or Exmoor National Park Authorities or Devon County Council through this arrangement. Parish and Town Councils may also need to use the Framework for path works carried out on behalf of Devon County Council.

Multiple appropriately skilled, competent contractors are required to carry out routine, reactive and planned maintenance and improvement works across Devon, to a value of up to £120,000 per scheme - ranging from seasonal vegetation cuts to path establishment works, but also allowing for related work such as path inspections and drafting of Orders for temporary closures and/or path diversions.
