## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Appointment of Project Manager led Integrated Consultant Team for the I4C Innovation and Cleantech Centre, Ballymena, Northern Ireland

Reference number

T421

#### **II.1.2) Main CPV code**

- 71000000 - Architectural, construction, engineering and inspection services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Mid and East Antrim Borough Council (MEABC) wish to appoint an Economic Operator to provide a Project Manager led Integrated Consultant Team (ICT) in relation to the design and delivery of the i4C Innovation and Cleantech Centre at the St Patrick's Barracks regeneration site in Ballymena. The St Patrick's Barracks site is one of four former military sites transferred to the NI Executive as part of the (2010) Hillsborough Agreement. The Northern Ireland Government Department for Communities (DfC) now owns the site and is leading on a programme of development to transform this area of Ballymena. MEABC is working with a number of key strategic partners to deliver the St Patrick's Barracks Regeneration Project (including development and operation of the i4C Innovation and Cleantech Centre). These include Radius Housing, Northern Regional College, Police Service of Northern Ireland as well as the Northern Ireland Government Departments for Infrastructure (DfI), for Communities (DfC) and the Construction Procurement and Delivery (CPD) section of the Department of Finance (DoF). The Economic Operator will be required to work with the key strategic partners.

The proposed i4C Centre is a new 7,000 m<sup>2</sup> building that will form a physical hub to support future innovation activity in Mid and East Antrim and future clean technology needs across Northern Ireland (NI). The Economic Operator will be appointed under the NEC4 Professional Service Contract (as appropriately amended) and shall provide the professional services applicable to RIBA Plan of Work (2020) Stages 2 to 7 and as specified in the PQQ and ITT documents. The new building is to have a BREEAM Excellent rating.

A Design and Build procurement route has been selected for the delivery of the i4C Centre. The ICT shall develop the design of the centre through RIBA Plan of Work (2020) Stages 2 and 3. MEABC (with support of the ICT) shall subsequently procure (via a competitive procurement procedure) an Integrated Supplier Team (IST) to complete the design and delivery the i4C Centre throughout all remaining RIBA Plan of Work (2020) Stages 4 to 7.

Following the procurement and appointment of the IST, the Economic Operator shall undertake the management of the IST on behalf of MEABC and continue to advise MEABC as required in relation to the delivery of the i4C centre.

MEABC also wish to develop a Civic Events Space adjacent to the i4C Centre. It is expected that MEABC will have achieved planning permission for the Civic Events Space by the time this ICT appointment has been made. The PM led ICT from this appointment may also be asked to develop the design of the Civic Events Space and include it within the IST Works Information for delivery along with the i4C Innovation and Cleantech Centre.

The term of contract for engagement of the Project Manager led ICT is anticipated to begin in July 2023 and end on expiry of the defects period set out in the IST construction contract (which MEABC currently intend to expire in August 2028).

The construction period is anticipated to take 18 months (currently intended to commence in February 2026). The construction period and date of commencement are subject to change and may vary upon completion of the design phase.

The design of the i4C Centre will have a focus on sustainability. The new building is to have a BREEAM Excellent rating and the ICT will also be required to undertake and report on Net Zero Carbon feasibility.

The i4C Centre is a focus for social regeneration. The Economic Operator appointed will be required to address Social Value through both the ICT and IST stages for the development of the i4C Centre.

For a complete description of this procurement please refer to the Pre-Qualification Questionnaire documents.

#### **II.1.5) Estimated total value**

Value excluding VAT: £1,200,000

#### **II.1.6) Information about lots**

This contract is divided into lots: No

Originally published as:

Date

14 April 2023

Local time

3:00pm

Changed to:

Date

5 May 2023

See the [change notice](#).

##### **IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates**

1 May 2023

##### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

---

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.2) Information about electronic workflows**

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

### **VI.3) Additional information**

Economic Operators who have not already expressed their interest in the Project Managed led ICT for the i4C Centre can still be added to the procurement competition and respond to the Pre-Qualification Questionnaire.

Tenderers must be registered on MEABC's e-procurement system <https://e-sourcingni.bravosolution.co.uk> to participate in this procurement and respond to the pre-Qualification Questionnaire.

Submissions are to be submitted online via the secure portal for e-Sourcing NI and if you have any technical questions relating to the portal, please contact the Bravo Solution Supplier Helpdesk on 0800 069 8630 (Monday to Friday 9am to 6pm). Or e-mail [help@bravosolution.co.uk](mailto:help@bravosolution.co.uk).

Tenderers are required to read all documentation available throughout all parts of the procurement. Within this Contract Notice MEABC has made available a Memorandum of Information document (which contains key information referred to in sections II.1.4 and II.2.4 of this Notice and further information regarding the service requirements of MEABC and the restricted procedure to be undertaken) and a draft copy of the Invitation to Tender.

Full details of the scope and requirements for the opportunity will be set out in the tender documentation to be issued by MEABC which will be available via the portal referred to in section VI.3 above. The Economic Operator is to be appointed under the NEC4 professional service contract (as appropriately amended).

The i4C Centre is a focus for social regeneration. The Economic Operator appointed will be required to address Social Value through both the ICT and IST stages for the

development of the i4C Centre.

For a complete description of this procurement please refer to the Pre-Qualification Questionnaire documents.

MEABC expressly reserves the right:

i. not to award any contract as a result of the procurement process commenced by publication of this notice or to cancel the procurement at any stage for any reason at its absolute discretion; and

ii. to make whatever changes it may see fit to the content and structure of the tendering competition in accordance with the Public Contract Regulations 2015

and in no circumstances will MEABC be liable for any costs incurred by Economic Operators or Candidates in relation to the procurement. Any expenditure, work or effort undertaken prior to contract award is accordingly at the sole risk of the Economic Operator or Candidate participating in this procurement process.

No business whatsoever is guaranteed under any resulting contract indeed there is no guarantee that any contract will be put in place in relation to this notice. Economic Operators should take part in this process only on the basis that they fully understand and accept this position.

#### **VI.4) Procedures for review**

##### **VI.4.1) Review body**

High Court of Northern Ireland

Royal Courts of Justice, Chichester Street,

Belfast

BT1 3JF

Country

United Kingdom

##### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

Review procedures are as set out in the Public Contracts Regulations 2015. Proceedings

under the Public Contracts Regulations 2015 are time limited, and any such proceedings must be brought in the High Court of Northern Ireland.

Precise information on deadline(s) for lodging appeals:

MEABC will incorporate a standstill period at the point information on the award of the contract is notified to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court of Northern Ireland.
