II.1.4) Short description

The Council is The Mayor and Burgesses of the London Borough of Brent (the Council) who

are responsible through Brent Property Services for approximately 9,000 tenant's properties and 4,000 leasehold properties.

The Council is delivering an ongoing major works programme covering major refurbishment

works together with planned works and some new build projects and in-fill schemes. The planned programme of works includes cyclical maintenance and re-roofing. Some major ECO

projects are also planned. This lot is to be used for large scale works or larger programmes of

planned works.

LBBC has an annual £10m reactive maintenance budget, and a £50m planned maintenance

and capital works budget over the 4 years of the framework.

This 6 lot technical consultancy framework will include the following disciplines to facilitate the delivery of LBBC's refurbishment and planned works schemes, with the possibility of some new build works over the framework's 4-year term:

Lot 1 – Multi-Disciplinary Consultancy Services– Major Works

Lot 2 – Multi-Disciplinary Consultancy Services– Minor Works

Lot 3 – Structural Engineering

Lot 4 – Energy Efficiency and Retrofit Consultancy

Lot 5 – Fire Safety Management

Lot 6 – Mechanical and Electrical Engineering

Please note that potential suppliers can apply to all lots on the framework.

Although entirely independent of it, this framework is designed to complement a new subcontractors' framework LBBC are planning to set up. Further details on the subcontractors framework will be made available to the market in due course.
