Scope

Description

Westminster City Council (WCC) will shortly be running a competitive tendering exercise to award a new contract for Outreach services to support family hubs and children's centres.

Outreach is an essential part of the service design delivered from the Council's three

Children's Centre Hubs. Its purpose is to target and reach the most vulnerable families who without it are less likely to engage, and deliver a single integrated Early Help offer in WCC. Outreach plays a pivotal role in working alongside the Early Help team in delivering their priorities, supporting early intervention and prevention, and heading-off costlier (human and financial) escalations; it is essential to the overall effectiveness of WCC Children's Centres, Family Hubs, and multi-agency partnership working in the field of Early Help.

The provider will be expected to deliver the following services:
