Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Provision of Fuel Card Services

Reference number

DN742125

II.1.2) Main CPV code

- 09000000 - Petroleum products, fuel, electricity and other sources of energy

II.1.3) Type of contract

Supplies

II.1.4) Short description

Southend-on-Sea City Council (the “Council”) currently has a fuel card service contract in place to purchase approximately 55,000 litres of ULSD diesel per annum for its current fleet of 82 vehicles. The current fuel card solution provider processes approximately 1,084 transactions per annum.

The Council is looking to continue with a fuel card solution to allow its fleet to purchase fuel at a variety of retail fuel outlets across Southend-on-Sea. The more retail outlets that the fuel card service covers, then the less distance needs to be driven to get to a fuel outlet. The corresponding reduction of fuelling journeys will reduce wear and the impact on the environment thus lowering the overall carbon footprint.
