#### **II.1.4) Short description**

NHS Supply Chain seeks to establish a non-exclusive Framework Agreement for supply to NHS Supply Chain depots via the Stock and Blue Diamond routes and to the NHS Supply Chain customer base via the E-Direct Route.

The framework agreement is for the supply of Central Venous Catheters and Associated Products.

It is anticipated that in the first 12 months of the Framework Agreement the value of purchases will be circa £12,943,000. For the full 48 month term (if extended) the anticipated value is circa £57,466,760. These values are approximate only and are based on the most recent historical usage information, with a forecasted level of growth. The values provided are for guidance only and are not a guarantee of business.

NHS Supply Chain anticipates appointing all Applicants who have met the minimum requirements which are set out in these tender documents and whose total score meets or exceeds a hurdle of at least 35% when rounded up or down (as the case may be) from four decimal places to the nearest whole number at tender evaluation stage to the relevant Product Line of the Framework Agreement.
