This Prior Information Notice contains all essential information relating to further market engagement that Radioactive Waste Management trading as Nuclear Waste Services (and referred to as NWS GDF from this point forwards) intend to perform with respect to "Site Characterisation Services and Works" relating to NWS GDF scope for the Tranche 3 programme of works, commencing in 2026.

NWS GDF will hold market engagement between April 2023 and July 2023 with a view to gaining a more in depth understanding of the site characterisation services and works market sector, with a particular emphasis on the "Site Characterisation Delivery Partner(s)" scope, which is outlined in more detail in the brief description section of this document.

Meetings will be held at Harwell in Oxford, and delegates are not limited in terms of attendance, although it is essential to have the right mix of individuals that can cover the scope and understanding of the market. A combination of senior technical, commercial and programme representatives are recommended.
