## Collaboration

The Contracting Authority is keen to promote opportunities for partnership working between the voluntary and community sector and providers of healthcare services, recognising the contribution that all providers can bring to delivery of these services.

To achieve this, it is envisaged that some providers may wish to collaborate in order to ensure that the healthcare needs of the prison population and the requirements of the services and the Contracting Authority are met.

As such, we would like to offer the opportunity to facilitate the sharing of contact details for providers who may wish to adopt this approach.

Those providers who wish for their contact details to be shared are asked to send a message including their contact details via the e-Tendering system and NECS will facilitate the sharing of these details - Providers are responsible for ensuring the accuracy of their contact details issued.
