Scope

Description

Curo wish to engage with the market to help inform its requirements for a future programme for the supply and installation of replacement UPVC and aluminium windows and balcony doors and associated works across a number of its sites in Bath. There is also a requirement for a programme of cyclical decorations to potentially be carried out concurrently at the same sites. These works are required to ensure the continued maintenance and upkeep of our property stock and for us to ensure that we achieve our obligations as a social housing provider.
