II.1.4) Short description

The University of Essex (The University) is creating a new Dental Training Suite at our Colchester campus to expand capacity within this important area of learning.

The new Suite will be part of the Oral Health Division, Department of Health and Social Care at the University and will be an essential and regularly used teaching facility several days a week, up to 48 weeks a year. The facility will be used by students across all clinical programmes at both Undergraduate and Post Graduate level and is an essential facility for simulated teaching.

This facility is used for teaching and learning of all dental operative procedures that are standard in dental undergraduate and postgraduate educational curricula.

They are used by multiple cohorts of students, across multiple programmes, and as such they must be very robust and easy to maintain.

The Contractor will supply, install, commission, provide training and maintain:

32 x Stationary Phantom Head Patient Simulators and associated accessories

1 x Mobile Phantom Head Patient Simulators and associated accessories, for use by the University Lecturer

Plus LED lights, Stools and related accessories and consumables, as detailed in the

tender document.

The University reserves an option to order between 1 and 10 additional Phantom Head Patient Simulators and associated accessories within the first 5 years from the date of the initial contract.
