The decision makers were: Programme Director – Community Diagnostic Centre (CDC) Programme
Somerset ICS Diagnostics Lead

No conflicts of interest were declared among decision makers.

The key criteria were weighted as follows:

25% quality and Innovation

15% Value

25% Integration, Collaboration and Service Sustainability

25% Improving access, reducing health inequalities and facilitating choice

10% Social value

The highest weightings have been applied to ensure a high quality, safe and effective services that are fully integrated in the healthcare system and that provide improved access, reduce health inequalities and facilitate choice. These are the most important elements of the service.

Value for money is also an important element to ensure the service can be provided to as many patients as possible to minimise waiting times.

The rationale for choosing the provider with reference to the key criteria:

The existing suppliers are experienced services providers with a proven track record, and they are highly likely to be able to satisfy the new contract to a sufficient standard.
