### **VI.3) Additional information**

NOTE: The authority is using eTenderwales to carry out this procurement process. To obtain further information record your interest on Sell2Wales at [https://www.sell2wales.gov.wales/search/search\\_switch.aspx?ID=130622](https://www.sell2wales.gov.wales/search/search_switch.aspx?ID=130622)

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

It is expected that the provider shall actively engage with the users of the building onto which the systems have been installed. For instance in the case of schools the provider shall be expected to:

Engage the pupils in educational activities related to energy generation and use, emissions and climate issues and other eco related issues.

Organise trips and or events that will educate the children in aspects of energy

(WA Ref:130622)

The buyer considers that this contract is suitable for consortia.
