## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

BSF-18-010 Supply and Delivery of Cleaning Materials to the Education Authority for the period 1 April 2019 to 30 September 2022 (no further extensions are expected to be

enacted).

This modification is required for the supply and delivery of hand sanitisers only and is not required for the full scope of the cleaning materials contract BSF-18-010. This extension will run sequentially with the lots due to be awarded under the new Framework Agreement for Hand Sanitisers and Dispensers (FMM-20-041). The contract will only be extended with the two contractors who currently provide hand sanitisers under the terms of the contract.

## **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

The current Contract value and duration has been increased due to the unforeseen impact of the global COVID-19 pandemic and due to operational issues outside the EA's control in relation to the evaluation and award of the new contract for Hand Sanitisers and Dispensers (FMM-20-041). Due to the critical nature of the items required under this Contract, it is imperative that the Contract continues uninterrupted and that time is given to schools for implementation.

The modification is for 6 months only, until 30 September 2022 and the maximum total value of this modification is £180,000 (approximately 7percent of the original contract value. This modification is therefore in accordance with the requirements of Regulation 72 (1) (c).

## **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £6,931,000

Total contract value after the modifications

Value excluding VAT: £7,111,000
