## Framework

## **Maximum number of suppliers**

Unlimited

## **Maximum percentage fee charged to suppliers**

2%

## **Further information about fees**

We apply an NCIS (NHS Contracted Income Stream) levy to all sales under our Frameworks, which underpins the funding and investment for our contracting routes and category support to the NHS. This levy is applied as a percentage fee within the Frameworks between the Authority and the Supplier.

Please see the Corporate Requirements document within the Key Attachments section of the SAP Ariba Sourcing Event for further details

## **Framework operation description**

There are two procurement routes for an Approved Organisation that wishes to use this Framework. A competitive process between the Suppliers in the relevant Lot, which may be preceded by a capability assessment, or an award without a competitive process to particular Supplier(s)

Schedule 7 of the Framework explains the rules for both a competitive selection process and an award without a competitive process.

A competitive selection process is the default ordering procedure under this Framework

## **Award method when using the framework**

Either with or without competition

## **Contracting authorities that may use the framework**

### **Justification for not publishing a preliminary market engagement notice**

The Authority has carried out preliminary market engagement. A Prior Information Notice (P.I.N.) under the Public Contracts Regulations 2015 was published on 06/11/2024 on Find a Tender Service <https://www.find-tender.service.gov.uk/Notice/035884-2024> and a formal Request for Information (RFI) issued. Meetings with potential suppliers were subsequently held. In carrying out preliminary market engagement the Authority is satisfied that:

- (a) suppliers who participated in the preliminary market engagement have not been put at an unfair advantage, and
- (b) competition in relation to the award of the public contract is not otherwise distorted.
