Section II: Object

II.1) Scope of the procurement

II.1.1) Title

I-3792 Flood Risk Management

Reference number

DN716763

II.1.2) Main CPV code

- 45246400 - Flood-prevention works

II.1.3) Type of contract

Works

II.1.4) Short description

The Council expects to tender for a new OCC LLFA Drainage and minor ground works framework. It will enable OCC to directly award work relating to drainage and minor ground works to reduce flood risk for communities and residents. The framework will run for an initial period of 2 years, with an option for the Client (OCC) to extend for a further 2 years. The framework is for the provision of the following works across the whole of Oxfordshire on a “call-off” basis. Works will be on OCC own land and assets and (by agreement) third party land.

Types of work:

- Minor ground works, such as: ditch creation, reinstatement and maintenance; small flood embankment construction; swale construction; and vegetation management.
- Culvert and small bridge works, such as: removal, replacement, alteration and repair.
- Culvert and drainage pipe maintenance, surveying, jetting/clearance.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)

II.2.4) Description of the procurement

The tender is for a new OCC LLFA Drainage and minor ground works framework. It will enable OCC to directly award work relating to drainage and minor ground works to reduce flood risk for communities and residents. The framework will run for an initial period of 2 years, with an option for the Client (OCC) to extend for a further 2 years. The framework is for the provision of the following works across the whole of Oxfordshire on a “call-off” basis. Works will be on OCC own land and assets and (by agreement) third party land.

Types of work:

- minor ground works, such as: ditch creation, reinstatement and maintenance; small flood - embankment construction; swale construction; and vegetation management.
- Culvert and small bridge works, such as: removal, replacement, alteration and repair.
- Culvert and drainage pipe maintenance, surveying, jetting/clearance.

The framework will complement the current OCC Highways Term contract that is due for renewal in 2025.

The framework will also be available for use by the district and city councils within Oxfordshire and neighbouring authorities.

II.3) Estimated date of publication of contract notice

1 August 2024

Section IV. Procedure
