Additional information can be obtained from the above-mentioned address

Tenders or requests to participate must be submitted to the above-mentioned address

I.6) Main activity

Production, transport and distribution of gas and heat

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Purchase of Gas Cylinders

II.1.2) Main CPV code

- 24110000 - Industrial gases

II.1.3) Type of contract

Supplies

II.1.4) Short description

Northern Gas Networks are seeking to establish a contract with a single supplier to provide circa 45-50 compressed natural gas (CNG) cylinders weighing less than 25kgs (Single man lift) to its operational depots.

The CNG cylinders must meet the following mandatory criteria:-

- Must be able to pick up and either refill or provide replacement cylinders as and when NGN consume the gas inside them
- Must be able to provide regulators to enable NGN to monitor both gas flow (pressure being delivered from cylinders) and to show how much gas is remaining in the cylinder
- Must be able to service all NGN operational depots as an ongoing requirement
- It would also be preferable, if the supplier had the facility to provide larger quantities of cylinders should NGN have a gas incident and want to use the technique in place of fan heaters and hot plates, but this is not essential.

To express your interest please contact Ashley Haddock - Procurement Manager - ahaddock@northerngas.co.uk

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)

II.2.4) Description of the procurement

- Must be able to pick up and either refill, or provide replacement cylinders as and when we consume the gas inside them
- Must be able to provide regulators so we can both monitor gas flow (pressure being delivered from cylinders) and to show how much gas is remaining in the cylinder
- Must be able to do this for all depots in the NGN area on an ongoing contractual basis
- Would like if can provide larger quantities of cylinders should we have a gas incident and want to use the technique in place of fan heaters and hot plates, but this is not essential.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

3 year initial term with the option to extend a further 2 x 1 year periods
