II.1.4) Short description

Gr?p Cynefin tendered to create a multi-lot Development Consultants Framework (“Framework”) across their area of operation to a range of Service Providers. The Framework is intended for use across North Wales, as required by Gr?p Cynefin and other Contracting Authorities (primarily other registered providers of social housing) across this area. References to Gr?p Cynefin are to be considered to include other Contracting Authorities that may access the resultant Framework.

The definable groups of Contracting Authorities that may access this Framework are available from the following web locations:

<https://gov.wales/registered-social-landlords>

<https://gov.wales/find-your-local-authority>

Framework duration will be 4 years, with commencement anticipated for February 2023. Gr?p Cynefin estimated expenditure (with Service Providers, not the total estimate of build costs) across the multiple lots of the proposed Framework is circa 8,000,000GBP. A further 2,000,000GBP is anticipated under awards made by other Contracting Authorities.

Grwp Cynefin incorporated a minimum 10 calendar day standstill period at the point information on the award of the contract was communicated to tenderers. This period allowed unsuccessful tenderers to challenge the decision to award the contract before it was executed/signed.

The Public Contracts Regulations 2015 ('Regulations') provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly and within the time limits as defined in the above regulations. Where a contract has not been entered into the court may order the setting aside of the award decision or order the contracting authority to amend any document and may award damages. If the contract has been entered into the court has the options to award damages and/or to shorten or order the contract ineffective.
