Description

For the holiday clubs being provider specifically for children with additional needs or disabilities, we are looking for provision that can offer varied and enriching as well as age-appropriate whilst considering the additional needs or disabilities that some children and young people have which, like other HAF funded activities could include but does not have to be restricted to

? physical activities such as outdoor games, nature walks, the use of outdoor play and sports equipment

? creative activities such as access to musical instruments, singing, arts, crafts, and cooking,

? fun educational games and activities such as board games, books/story time and

sensory play opportunities such soft play areas or sound and light themed play areas

? Providers should also consider and include local outings such as trips to farms, zoos and theatres or support with careers advice, mental health and further education options.

Sessions should be aimed at children and young people aged between 5 and 16 years old with a range of different levels of support to meet individual need.

Framework operation description

Pricing required - total hours per holiday per child.

Of the approved providers who have the highest combined Quality and Price score at the Tender Stage (this stage) will be offered the appropriate contract.

In some circumstances, approved providers may not be able to fulfil our requirements completely, or we may wish to offer a combination of provisions in one location. In which case, we may instruct multiple providers to work separately in one location. This will work in the same way as above, offering contracts to the top scoring providers first.

This process will be repeated for all locations under all four Lots, until an entire provision is engaged for that particular holiday period. This entire process will be repeated three times per year (if required) in advance of each school holiday – Easter, Christmas and Summer.
