7.A statement explaining the award decision-makers' reasons for selecting the chosen provider, with reference to the key criteria.

Considered by SNEE ICB and guidance obtained to use PSR Regulations

Key Criteria:

- 1. Quality and Innovation The Provider is constantly thriving to provide innovative services within NEE and have won several national awards to this effect. The Provider consistently delivers against their key performance indicators (KPIs) both within an acute and community setting and have robust mechanisms in place where KPI's are altered.
- 2. Value They have consistently over a period of time delivered a valuable service within the available budget allocation
- 3. Integration, collaboration, and service sustainability The Provider works closely with acute and community services within ESNEFT and primary care settings within North East Essex to deliver the best patient outcomes for diabetic patients in the area.

- 4. Improving access, reducing health inequalities, and facilitating choice The Provider analyses their data at PCN/practice level and works with primary care settings to tackle inequalities in the services offered. The Provider works with ESNEFT to ensure all patients within NEE are able to access their services, in example, diabetic foot MDT clinics for Tendring caseload.
- 5. Social Value The Provider works across a variety of acute and community settings to support ease of access. They use local workforce to add to their social value.
- 8.Any declared conflicts or potential conflicts of interest. None declared

9.Information as to how any conflicts or potential conflicts of interest were managed. All Key individuals at Section 6 completed and signed SNEE ICB Declaration of interest Forms. At all meetings attendees are/will be asked to declare any interests.
