VII.2) Other additional information

Great Places Housing Group (GPHG) are making changes to the Supplier Questionnaire used on the selection stage of their tender, Dynamic Purchasing System for Modular Home Construction (OJEU Notice 2019/S 223-546438).

For the initial rounds of this tender, GPHG used the PAS-91 Questionnaire. It has been deemed that this questionnaire contains several sections which are not relevant to the tender, but could not be removed if using this Questionnaire.

To alleviate administrative burden for both bidders and evaluators, going forward GPHG will now be using the standard Selection Questionnaire (SQ) template.

On posting this amendment, GPHG will observe a voluntary 30 day standstill period for any bidders to comment on the above. GPHG will post the tender using the SQ template 30 days after the submission of this amendment notice.
