Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

All bids submitted will be compliance checked and then evaluated for quality, social value and pricing. At the end of this stage the top two highest scoring bidders will be invited to interview and presentation stage. The highest scoring bidder at the end of this stage will have financial due diligence undertaken, if they pass this they will be the successful Provider. If they do not pass the process will be repeated with the second highest bidder, if they pass they will become successful Provider.

Justification for not publishing a preliminary market engagement notice

This is a re-procurement of a contract that was entered into at the end of last year and services were subsequently withdrawn hence the re-procurement.
