For each component of service listed the provider shall also carry out maintenance of equipment, collection of items no longer required, recycling of equipment and robust data gathering to support contract management.

This service will ensure that residents in Buckinghamshire, who have either healthcare or social care needs (or a combination of both) are provided with high quality equipment, aids and/or adaptations that enable them to stay independent and live healthy lives for longer, and crucially to remain at home rather than requiring formal social and healthcare support.

The anticipated annual expenditure for Buckinghamshire Integrated Community Equipment Services in 2021/22 is circa £8,900,000

The estimated spend this financial year for the geographical location that falls under NUTS code UKJ1 is £24,000,000.

However, for the purpose of estimating the entire framework maximum value, a figure of no more than £350,000,000 of service will be offered during the framework and call of duration.

Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE) may apply to this opportunity.

If your organisation wishes to participate in this process, you need to register with the Buckinghamshire Business Portal. You will be unable to take part if you do not register. Please use the link below and follow the instructions on the website:

www.supplybucksbusiness.org.uk

Tenders must be returned via the Buckinghamshire Business Portal. The tender return date is midday on 4th January 2022. Tenders received after this time and date will not be accepted.
