Scope

Description

The Joseph Chamberlain 6th form College is located in the centre of Birmingham. The College has circa 3,100 students and 250 staff and was rated by OFSTED as Outstanding again when it was inspected in February 2024. The College website is www.jcc.ac.uk

The core values of the College are:

Excellence and Ambition

At Joseph Chamberlain Sixth Form College, we are dedicated to improving the learning experience of all students. As a result, we have high ambitions and expectations of everyone and always strive for excellence. We demonstrate a 'can do' attitude and embrace the need for continuous improvement and positive change.

Cooperation and Communication

Here, we believe in working together as a team, for the benefit of the College. Learning from our own and each other's mistakes and successes, we encourage everyone to take responsibility for their actions. We are open and honest with each other, and have built effective professional relations with each other through mutual trust and transparent communication.

Equality and Recognition

Throughout the College, diversity and inclusivity underpins everything we do, and we will always treat everyone with respect and fairness. We value and recognise the contribution that every individual makes to the lives of students and are loyal to and proud of our College and our students.

The College also encompasses provision for adult learners in its annexe opposite the main building. The main building was a new build approximately 15 years ago and a subsequent extension in provision was opened in September 2024

This procurement is being advertised due to the fact that the current arrangements are due to complete their contractual term. The College is therefore taking the opportunity to go to the market to identify the best innovative and forward-looking partner to support them in the delivery and development of their MFD provision over the next five years.

The current fleet comprises of 4 x Reprographics machines and 21 other machines around the College - all are Ricoh
