CU.2101.JP

Description

A new car park management provider is required to support Travel, Transport and Parking Services to manage the university car parks. This management needs to include the use of ANPR and foot patrol officers to manage the compliance of parking at the university.

The new provider will be required to use existing signage and ANPR cameras that are owned by the university although it is acknowledged that the signage will need to be updated.

A permit management system to manage parking for university staff, students, contractors and visitors is required.

All customer facing services (including signage) where possible needs to be provided in both Welsh and English.

The Procurement will include the need for Innovation and require bidders to set out their approaches for any improvements in conjunction with the University.
