VII.2) Other additional information

The commissioning arrangements for Integrated Sexual Health Services (ISHS) across Bristol, North Somerset and South Gloucestershire (BNSSG) have changed.

BNSSG Integrated Care Board (ICB) will no longer be jointly commissioning these services with the local authorities and thus abortion services will no longer be part of the BNSSG ISHS procurement.

The ICB will procure abortion services separately but will work closely with the local authorities across BNSSG to ensure these services align with the ISHS.
