II.2.4) Description of the procurement

The Cornwall College Group will be seeking suitably qualified suppliers to offer the services required to deliver the Digital Transformation Project. Unlocking Potential is currently delivering a European Regional Development Fund (ERDF) project called Digital Transformation (DT). It is a 3 year £2,700,000 project in strategic partnership with Software Cornwall, providing support to ERDF eligible digital and non-digital SME's in Cornwall & the Isles of Scilly. As part of the Digital Transformation programme, a 'Marketplace/Community' project was written into the original brief. A partnership project between Unlocking Potential and Software Cornwall, the brief was to create an online platform that served as a central point to act as a community for collaboration, contractual arrangements, access to relevant and current knowledge resources among other things, and expected to deliver on the following vision:

- The Marketplace/Community aims to grow and strengthen Cornwall's digital economy by bringing businesses together.
- Providing a platform for the digital expertise within Cornwall to collectively become more visible and accessible to the wider Cornish business community.
- Giving Cornish businesses the confidence that, whether they're selling or investing in digital, they're doing so safely and wisely.
- Enable greater opportunities for collaboration and innovation across the business community.
- Provide expertise to support businesses through the process.
- Create a forum for mentoring and developing digital startups collaboratively
